**“The Ultimate Tragedy in Life is not Death”
“It’s what dies inside of you as you live”**

“Eyes that do not see will never Understand”

The transformation of life along the journey is none the less Incredible, Incredibly shocking and never ceases to amaze me.

I am for-ever changing for knowledge is potential power, Its Freedom, mind opening and life changing.

In life we are sometimes forced to grow and with that growth we must move on whether it be from within, in friendships, relationships, material or business. It is one of the same for it is what governs you and me.

Truly seek to understand for then the Mind will set you free.
